

Hand Grips Product Guide

Hello,
Thank you so much for your order of Inrive Hand Grips! We hope you love them as much as we do. This guide will show you how to most effectively use your new grips.

Opening the Box

Inside the box, you'll find:

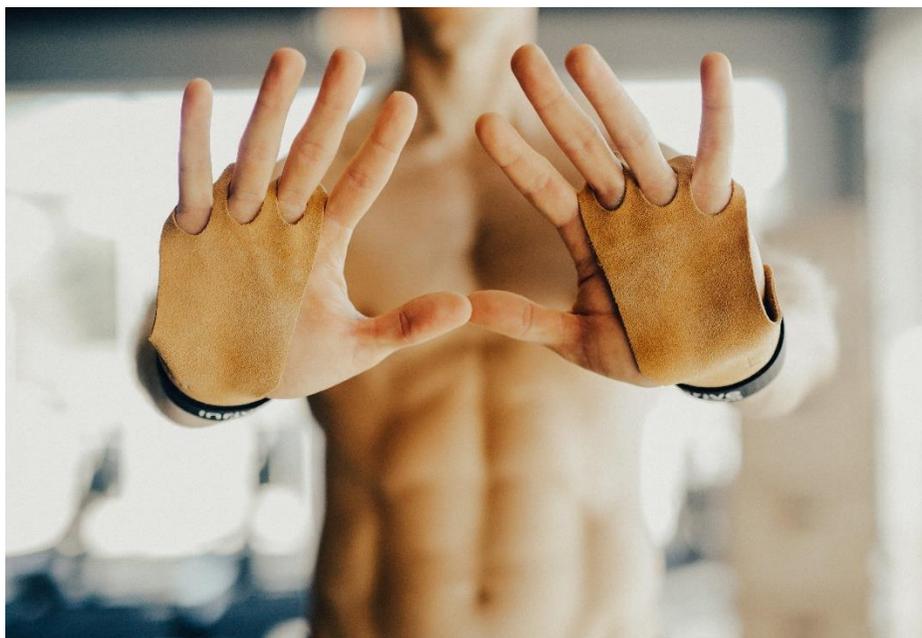

- A pair of grips
- A small mesh bag for carrying the grips
- A card showing how you helped support a child in need and where to find more free information, product demos and discounts

Putting on the Grips

- You will notice, etched into the leather, the grips show the size and say Right and Left.
- For example, in the above image, you see “M Right” is a medium-sized glove for the right hand and “M Left” is the medium-sized glove for the left hand.
- Once you have the correct hand, put the grips over your middle, ring and pinky fingers, so the cut-out area is by the thumbs, as shown in the image below:

- Insert the wrist strap through the ring...

- Pull the strap through the ring and secure it, making sure the leather remains under the ring, providing a comfortable fit.

- Now, you should be ready! 3, 2, 1, Go...!

Inspiring Athletes to Thrive

At Inrive, we believe that optimal health and fitness is the key to living the best life ever. We all have light burning inside each of us and we need the inspiration to let that light shine. We serve fitness enthusiasts who demand more because they know living fit and inspired cultivates an amazing life for them as well as those they serve. What's in a name?...

in·rive /in'riv/ verb.

- To be inspired to thrive [derived from the words “inspire” (meaning to fill (someone) with the urge or ability to do or feel something) and “thrive” (meaning to prosper; flourish)]
- To make whole, mend or complete [derived from the words “in” (meaning not) and “rive” (meaning to split apart)]
- Yes, we made up this word and its definition, but we love it and we hope that you are ready to inspire, rise and thrive in your life.

The logo is your candle or your torch that you carry in life. There is a light burning inside all of us. We just need the inspiration to rise above our challenges and let that light shine and thrive. Get inspired and take your candle and go light your world.

As the name implies, Inrive exists to inspire others to rise above challenges, thrive in life and live fit, inspired lives that are the greatest that can be lived.

Again we wish you all the best in your fitness journey and please let us know if there's anything we can do to assist you along the way!

To Your Health & Fitness,
